From International Policy and Procedures:

5) Privacy/Copyright Issues

Members of The Delta Kappa Gamma Society International are expected to act responsibly and to follow the guidelines, policies and procedures of the Society in utilizing information technology and digital networks accessed by such technology. To protect the privacy rights of the Society and its members, the following considerations must be observed:

- * The website will not contain content that is libelous to others.
- * Specific written consent should be obtained and kept on file before any of the following items are posted on the electronic site:
 - a. Name of any individual Society chapter member
 - b. Email addresses of any individual Society chapter member.
 - c. News and/or pictures of an individual or group
 - d. Copyrighted materials—e.g. artwork, music or text

*Approval must be obtained from Society Headquarters to post any official Society correspondence
